

## Supported Browsers for Crime-IQ

Crime-IQ is supported on the following browsers:

Browser	
<b>Internet Explorer 11</b> <sup>(1)</sup> <b>Not Supported</b> 	<b>Microsoft Edge 44.18362.387.0 [Legacy]</b>  <b>Microsoft EdgeHTML 18.18363</b> <sup>(2)</sup> @2019 Microsoft [2015-2019]
<b>Microsoft Edge (Chromium) [2020]</b> <b>79, 80, 81, 83</b> <sup>(3)</sup> <a href="#">Download Here</a> 	
<b>Google Chrome 79, 80, 81, 83</b> <sup>(3)</sup> <a href="#">Download Here</a> 	<b>Mozilla Firefox 75, 76, 77</b> <sup>(3)</sup> <a href="#">Download Here</a> 
<b>Safari 11, 12, 13</b> 	<b>IPad 12.4 (Through 6th Generation)</b> 

- (1) Internet Explorer 11, is no longer supported by Microsoft. The Crime-IQ program will not be fully functional on IE 11. If you are using Microsoft Internet Explorer 11, you should switch to another supported browser (see the table above).
- (2) Microsoft EdgeHTML (44) was a proprietary browser engine built by Microsoft in 2015, but replaced by Microsoft Edge (Chromium) in 2020. The Crime-IQ program is currently functional on the legacy Microsoft EdgeHTML v. 44.
- (3) New versions of browsers with rapid development cycles (Google Chrome, Microsoft Edge (Chromium) and Mozilla Firefox) are certified to the latest version date listed above. Microsoft Edge (Chromium) has the same version numbers as Google Chrome to reflect updates to Chromium.
